

New Family HOME VISIT QUESTIONS

Tell us about your child? What do they do well? What are they most interested in?

What should we know about them?

Who might your child talk about when they are at school?

What are some of the ways you guide your child's behavior at home?

Do you have questions about what we will teach or who your child will learn?

What meals/snacks does your child especially enjoy?

What are some activities your family enjoys doing together?

What do you want your child to get out of their school experience?

Are there specific things we can work on together?

How do you encourage your child to try something new?

How do you approach saying goodbye to your child?

What is your child's learning style?

What are the daily routines that are most important to your family?

What are some things that help your child settle for a nap/rest?
