

When you return your application, please remember to:

- Attach proof of your family's income (W2 forms, income tax forms, or check stubs)
- Attach a copy of your child's birth certificate
- Complete the application as honestly as possible, specifically page 2 (child/family factors section)

Please Note: Our waitlist is not based on first-come/first-serve. We prioritize families based upon child and family need. All income-qualifying families receive a Head Start funded spot.

We have limited over-income funded spots available.

There is no need to reapply annually. Once you apply, your child's application will remain on the waitlist.

Please contact **Sheri (719)530-5373** or **Heather (719)530-5389** if you have any questions or to follow-up on your child's application.
